FOOTPRINTS IN THE SAND

*One night I had a dream. I was walking along
the beach with the Lord, and across the skies
flashed scenes from my life.*

*In each scene I noticed two sets of footprints
in the sand. One was mine, and one was the Lord's.
When the last scene of my life appeared before me,
I looked back at the footprints in the sand, and,
to my surprise, I noticed that many times along
the path of my life there was only one set of footprints.
And I noticed that it was at the lowest and saddest
times in my life. I asked the Lord about it:*

*"Lord, you said that once I decided to follow you,
you would walk with me all the way. But I notice that
during the most troublesome times in my life
there is only one set of footprints.*

*I don't understand why you left my side
when I needed you most." The Lord said:
"My precious child, I never left you during your times
of trial. Where you see only one set of footprints,
I was carrying you."*
